### NOTES

The Spelling list is flexing up to 20 words. This number will hold steady through the rest of the year. Please note that only about 10 of those words are considered "challenging" (underlined). Study 1-10 on Mon. and Tues. and 11-20 on Wed. and Thurs. Or, take a pre-test on Monday night and only focus on the words you missed for the rest of the week.
